

Support your School and Get Rewarded for it!

CommunityPLUS

partners in education

We know how important it is for our schools to have the funds they need to educate our children for the future, PLUS we understand that you have many options when it comes to selecting a uniform provider. Our COMMUNITY PLUS Program is our way of supporting the community and showing you our appreciation for allowing us the privilege of providing your school uniforms.

Beginning in June 2008, when you shop with School Time Uniforms a percentage of your total purchase will be donated directly to your school. PLUS - with each purchase, you will earn valuable points that are redeemable for discounts on future purchases.
