**Subject: Holy Trinity is HIRING!!**

**We are excited to announce that we are looking for 3rd and 5th grade teachers for the 2022-2023 school year! If you are interested in being a teacher at Holy Trinity Catholic School you can reach out to our Principal, Mrs. Cuevas via email [hcuevas@holytrinitycatholics.net](mailto:hcuevas@holytrinitycatholics.net) or call our front desk at 228-467-5158.**

**We are a Catholic elementary school and we believe that a Catholic school is the unique setting where the ideal of Christian education can be realized in the everyday living of young people. We provide our students with quality education rooted in Catholic tradition, which focuses on developing both the intellect and virtue of our children in a nurturing, fun and Christ-centered environment.**

**We are located in the heart of downtown Bay Saint Louis, MS, right next to the two highschools, OLA and SSC. We partner with these schools often to promote and enhance our academics and our children's spiritual growth.**

**We look forward to meeting you, so give us a call or shoot us an email ASAP!**
